

Parents,

Our Troop Committee has a policy on adult participation in outings. To participate, adults must:

1. **Complete Sponsor's Background Check.**
2. **Complete "Troop 225's Fast Start Training"**
Fast Start will be offered occasionally on Monday nights through the Troop.
3. **Complete BSA approved Youth Protection Training.**
Youth Protection Training is the first Thursday of every month at Roundtable, it may also be completed on the Internet. See Mr. Smith for additional info.

To transport Scouts outside of the District at any level, a Tour Permit must be filed. On it, the drivers must be listed along with insurance information. If you ever plan to transport Scouts, we need to have you return the following to _____ or our Troop Outings Coordinator _____.
