

Parents,

Troop Committee has an adopted policy on adult participation in outings. To participate in overnight outings, adults must:

1. **Complete "Troop 225's Fast Start Training"**
Fast Start will be offered occasionally on Monday nights through the Troop.
2. **Complete a BSA approved Youth Protection Training.**
Youth Protection Training is the first Thursday of every month at Roundtable, it may also be completed on the Internet.
3. **Background Check**
Required by Sponsor

To transport Scouts outside of the District at any level, a Tour Permit must be filed. On it, the drivers must be listed along with insurance information. If you ever plan to transport Scouts, we need to have you return the following to our Troop Outings Coordinator.
